

Une année en MAKATON

Ce calendrier perpétuel a été conçu par A.A.D. MAKATON.

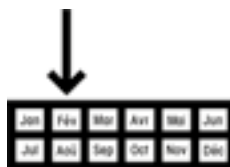

A la fin de ce calendrier, vous trouverez des pictogrammes que vous pouvez découper et coller sur le calendrier.

Les thèmes disponibles sont « anniversaires, dates importantes, activités et sorties, rendez-vous ». Les activités qui reviennent régulièrement peuvent être photocopiées en plusieurs exemplaires.

En fonction des besoins, vous pouvez utiliser d'autres pictogrammes fournis pendant la formation Makaton, ou solliciter AAD Makaton (www.makaton.fr) pour des pictogrammes spécifiques du vocabulaire supplémentaire comme par exemple ski, mariage, cirque...

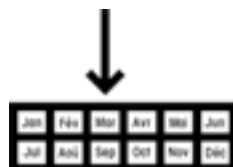

Les pictogrammes des jours de la semaine, des mois et des saisons sont également disponibles à la fin du calendrier si vous souhaitez aborder ces thèmes.
