

Le loup

qui

n'

aimait

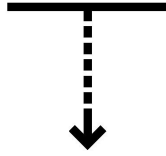

pas

être

noir.

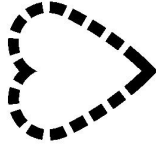

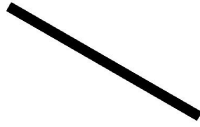

Il était une fois, un

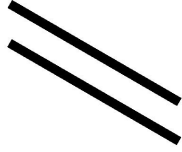

loup

qui

n'

aimait

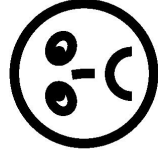

pas

être

noir.

Le loup

trouvait

que le

noir

était

triste.

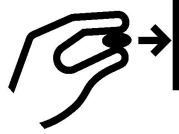

Lundi, le

loup

prend

un pot de peinture

verte.

Le loup

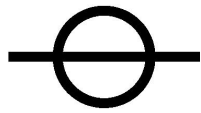

met

la

patte

dans

le pot de peinture.

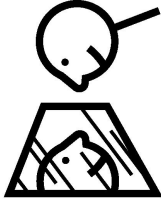

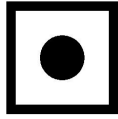

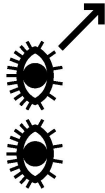

Maintenant, le

loup

est tout

vert.

Le loup

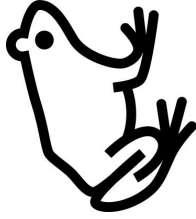

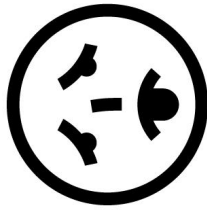

regarde

dans

le miroir

et

dit :

"Quelle horreur !

Je

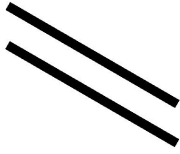

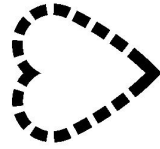

ressemble

à une

grosse

grenouille

verte !

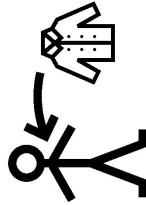

Je n'

aime

pas

le

vert."

Mardi, le

loup

s'habille

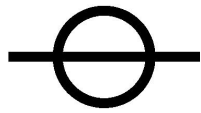

avec

des

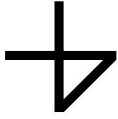

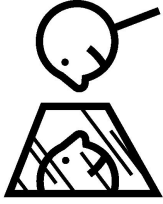

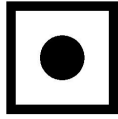

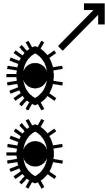

vieux

vêtements

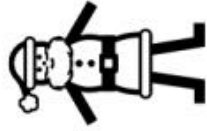

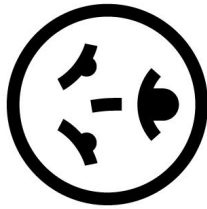

rouges.

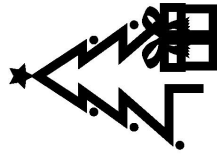

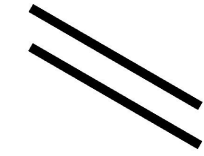

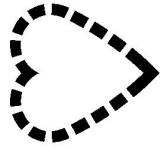

Maintenant, le loup est tout rouge.

Le loup regarde dans le miroir et dit :

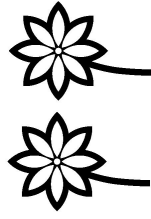

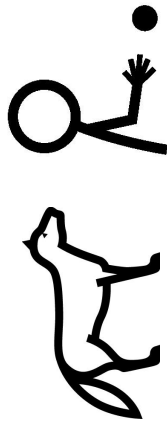

"Nom d' un petit cochon ! Je ressemble au Père Noël.

Je n' aime pas du tout Noël !"

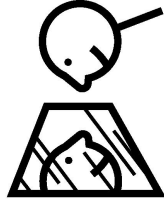

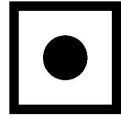

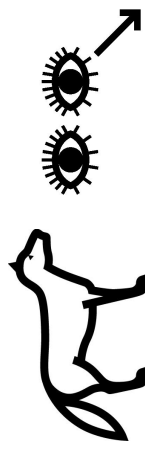

Mercredi, le loup va à la ferme.

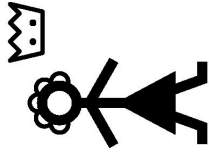

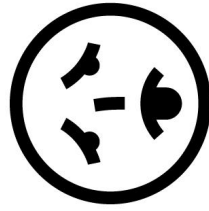

Le loup cueille des fleurs roses.

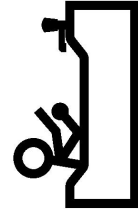

Le loup s'habille avec les fleurs roses.

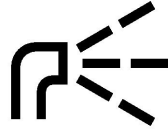

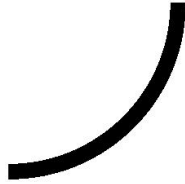

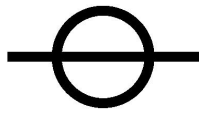

Le loup regarde dans le miroir et dit :

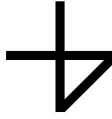

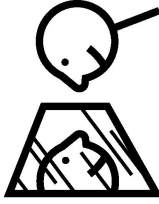

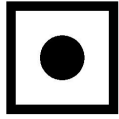

"Beurk ! Je ressemble à une princesse !"

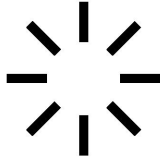

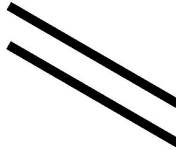

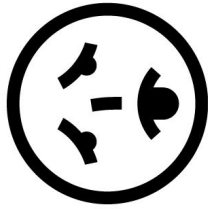

Jeudi, le loup prend un bain froid.

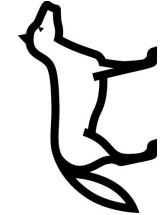

Maintenant, le loup est tout bleu parce que l' eau est très froide.

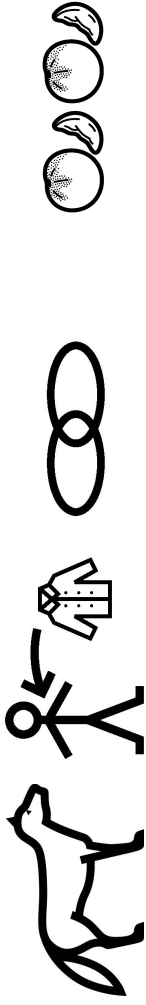

Le loup regarde dans le miroir et dit :

"Beurk ! Je ne suis pas beau en bleu."

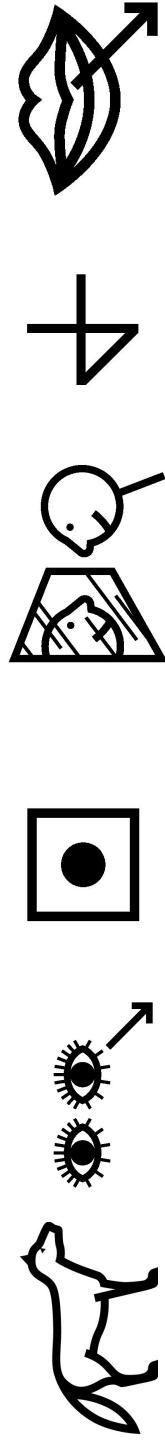

Vendredi, le loup mange des oranges.

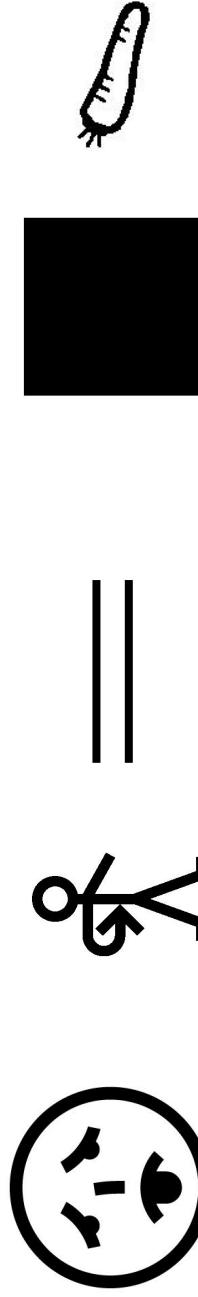

Le loup s'habille avec les écorces.

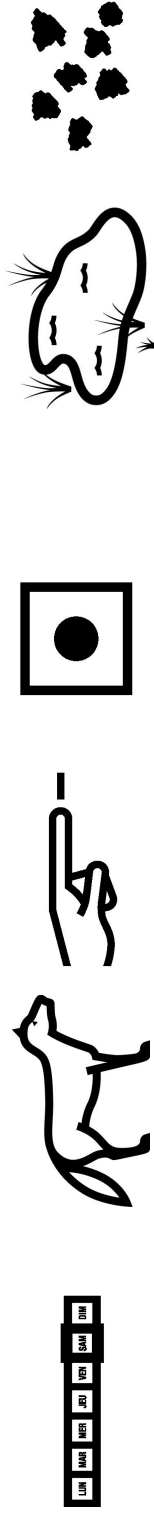

Maintenant, le loup est orange.

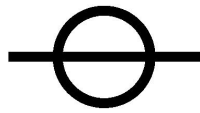

Le loup regarde dans le miroir et dit :

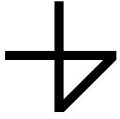

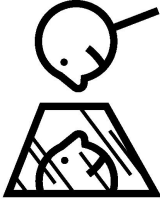

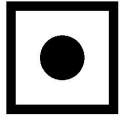

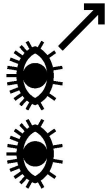

"Quelle horreur ! Je ressemble à une énorme carotte."

Samedi, le loup va dans une mare de boue.

Maintenant, le loup est marron.

Le loup

regarde

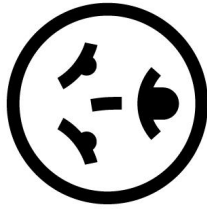

dans

le

miroir

et

dit :

"Beurk !

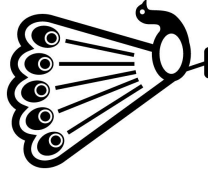

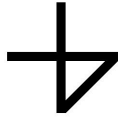

Je

suis tout

sale.

C'est nul."

Dimanche, le

loup

cherche

et

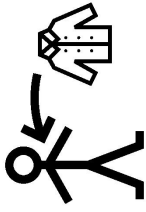

trouve

un

paon.

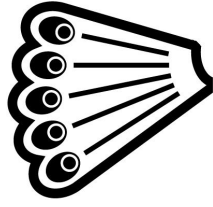

Le loup

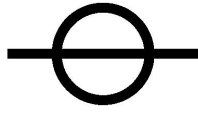

s'habille

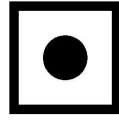

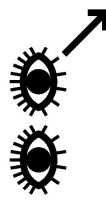

avec

les plumes.

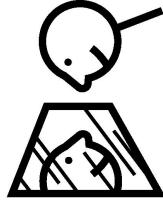

Maintenant, le loup est multicolore.

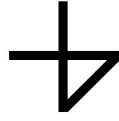

Le loup

regarde

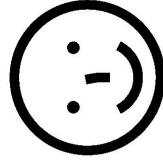

le miroir

et

dit :

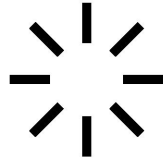

"Oh ! Comme

je

suis

beau !"

Les louves

sont

d'accord

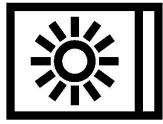

avec

le loup.

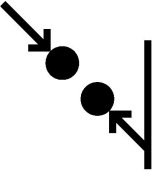

Toute la journée, les

louves

murmurent

près

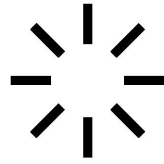

du loup :

"Tu

es

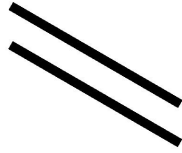

beau,

mon

loup !" /

Le loup

n'était

jamais

tranquille.

Un soir,

le

loup

est

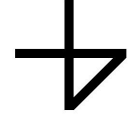

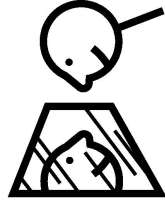

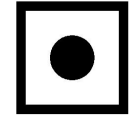

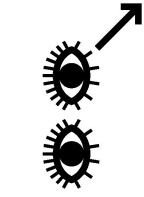

fatigué

d'entendre

les

remarques

des louves.

Le loup

regarde

dans

le

miroir

et

dit :

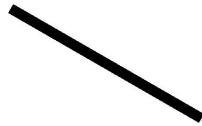

"C'est

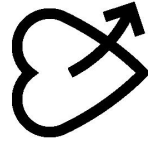

nul !

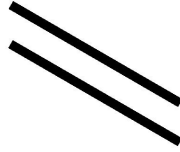

Je

ne

veux

plus

être

vert,

rouge,

rose,

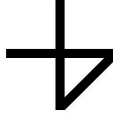

bleu,

orange,

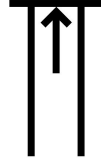

marron

et

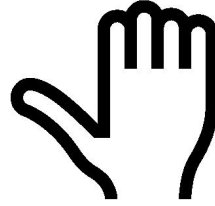

multicolore.

Finalement,

je

suis

très bien

en

noir

comme

un

loup.
