

LE PÈRE NOEL
A PERDU SES
HABITS

Un peu avant Noël

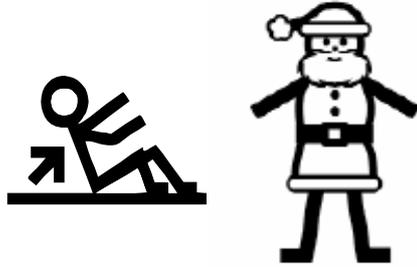

dans un village où il fait très froid,

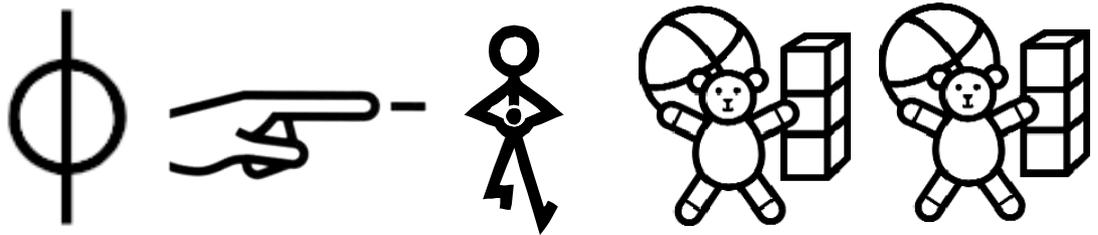

dans la maison du Père Noël ...

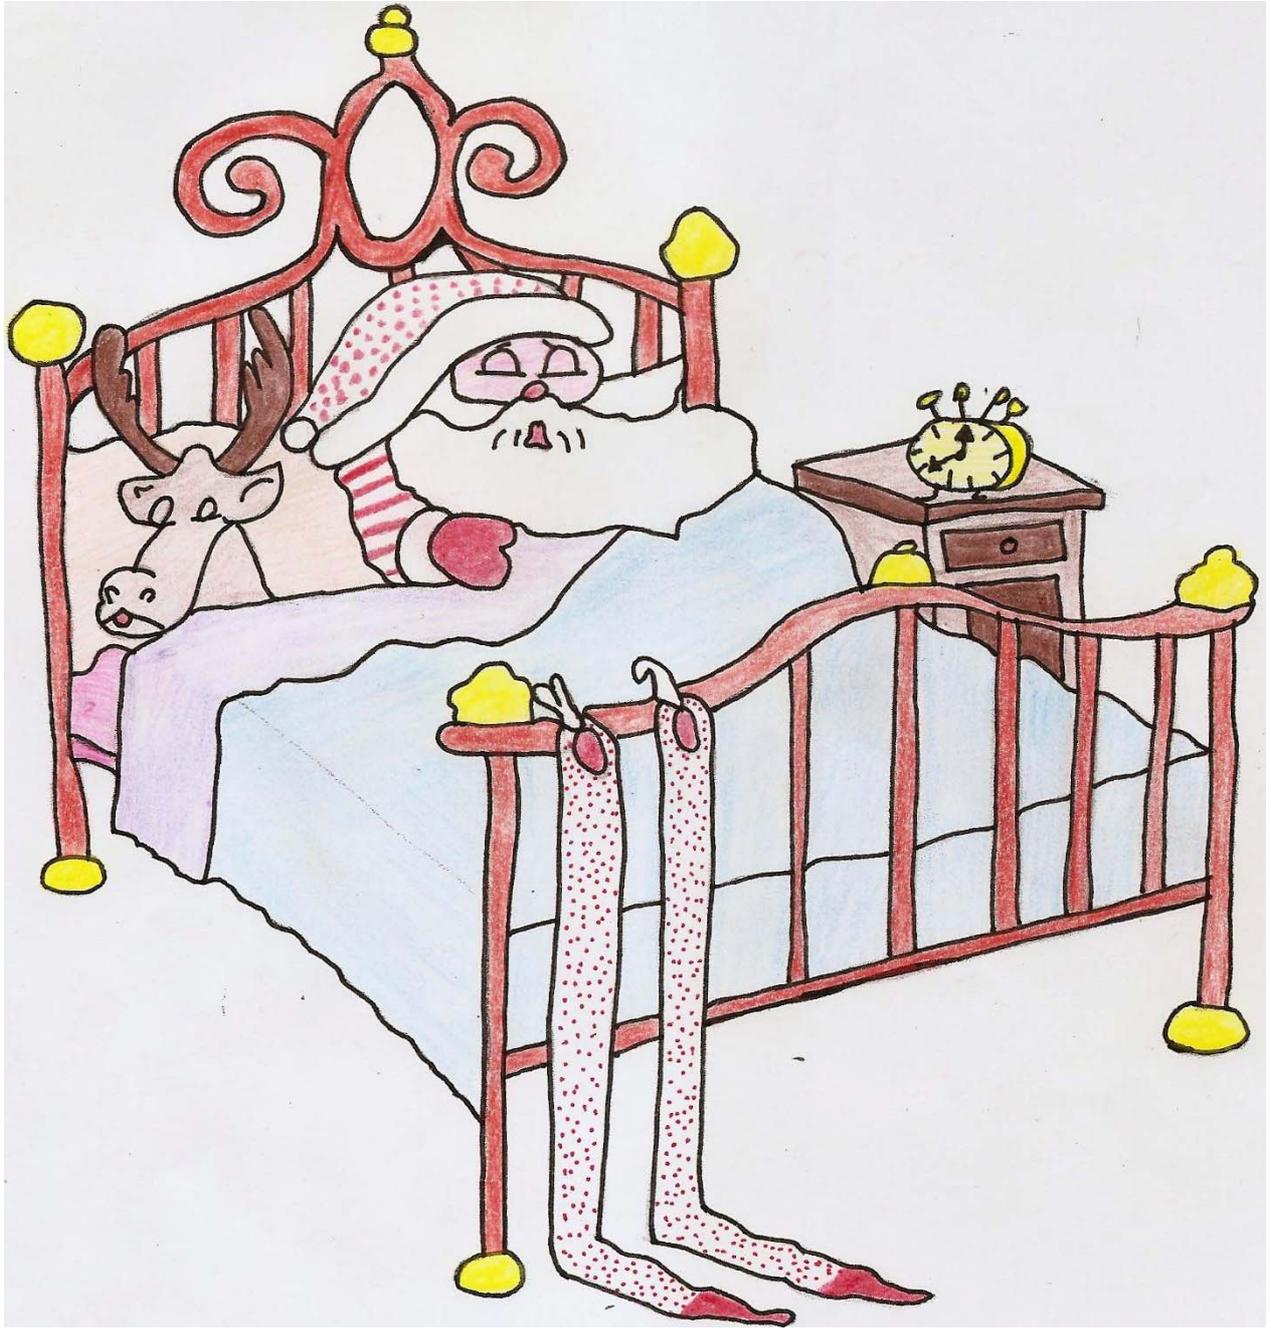

Debout Père Noël !

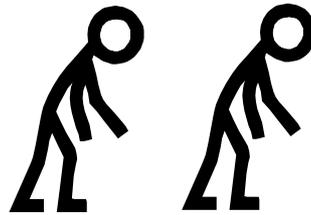

C'est l'heure d'aller apporter les jouets par milliers

Père Noël

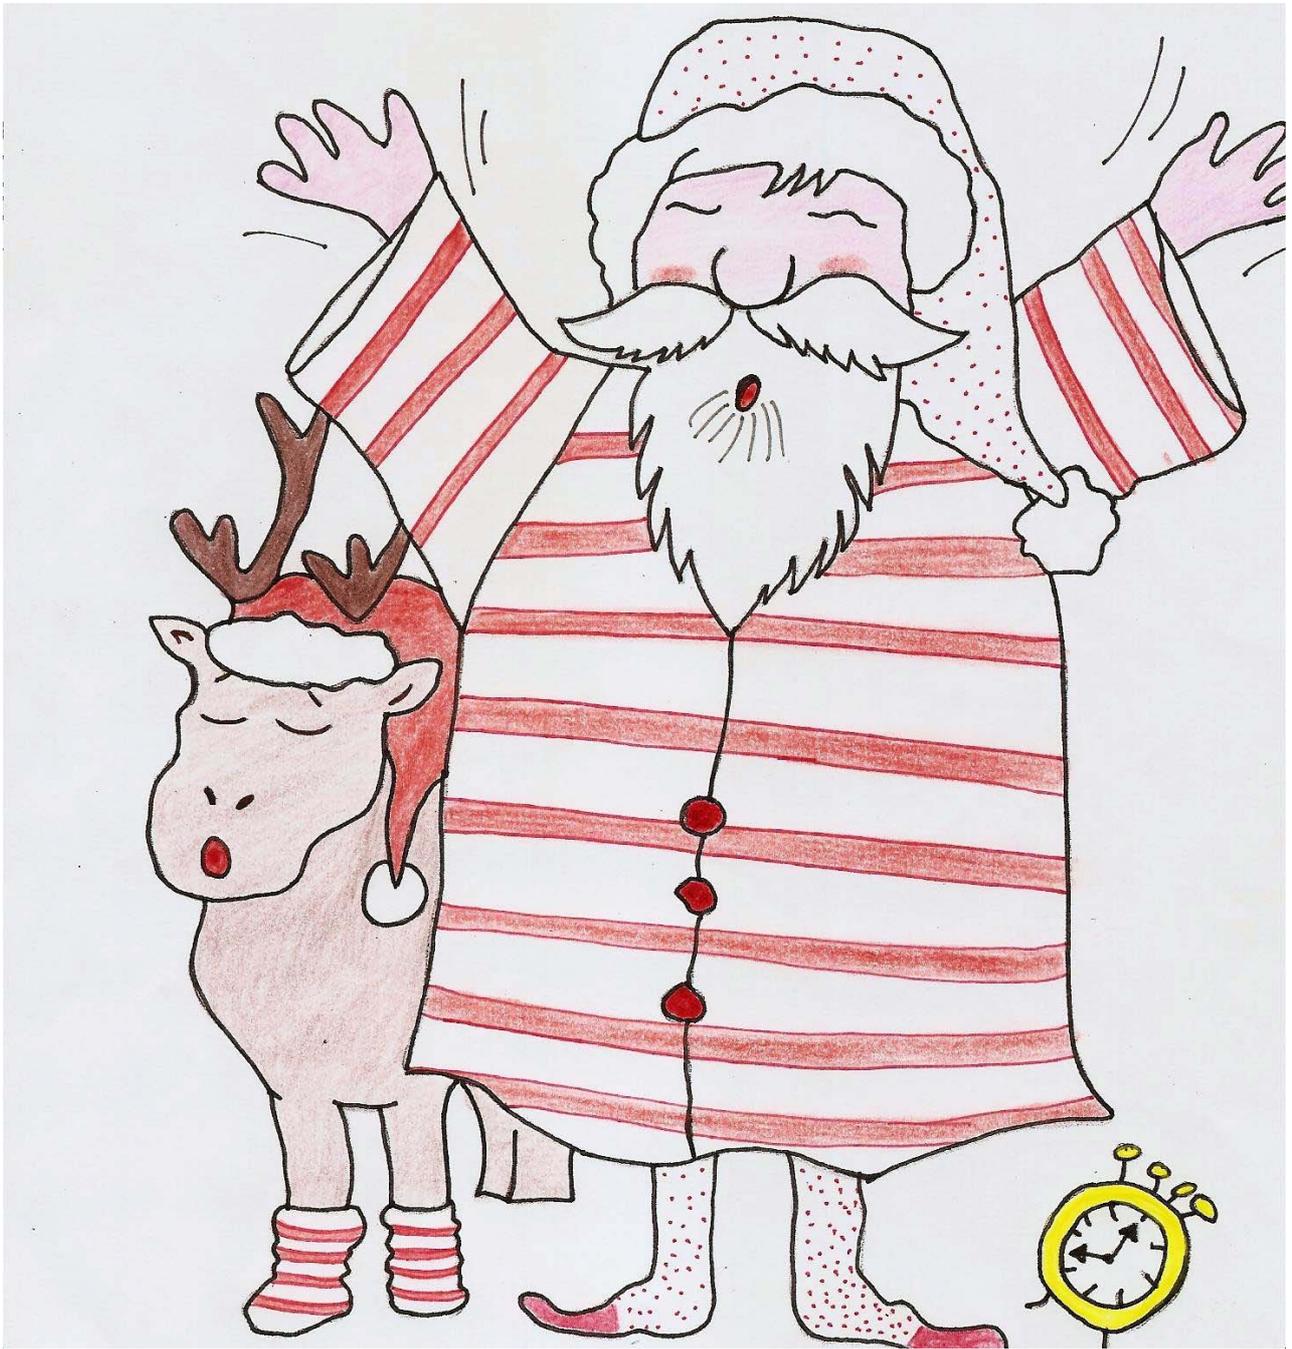

dit :

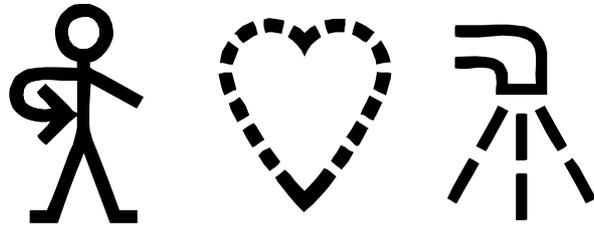

Je suis très fatigué,

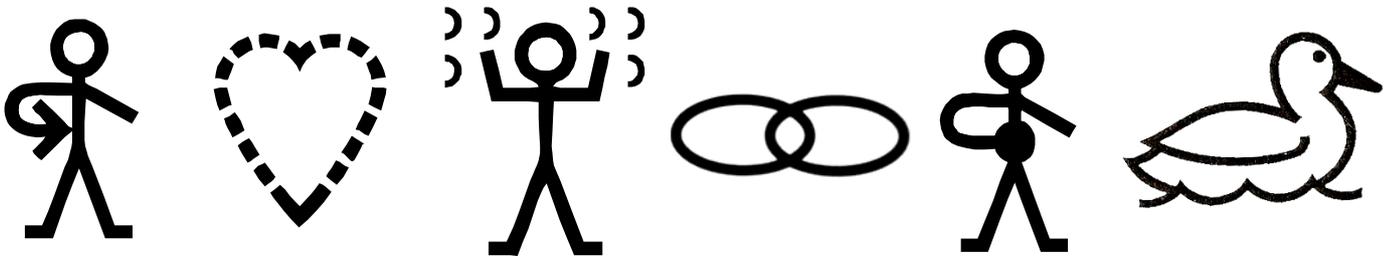

Prendre un bain sera bien.

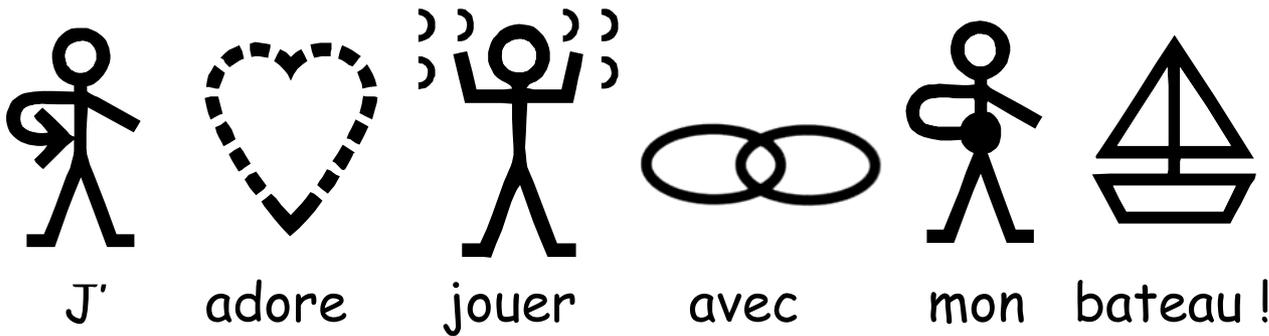

J' adore l'eau !

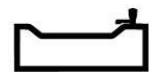

J' adore jouer avec mon canard !

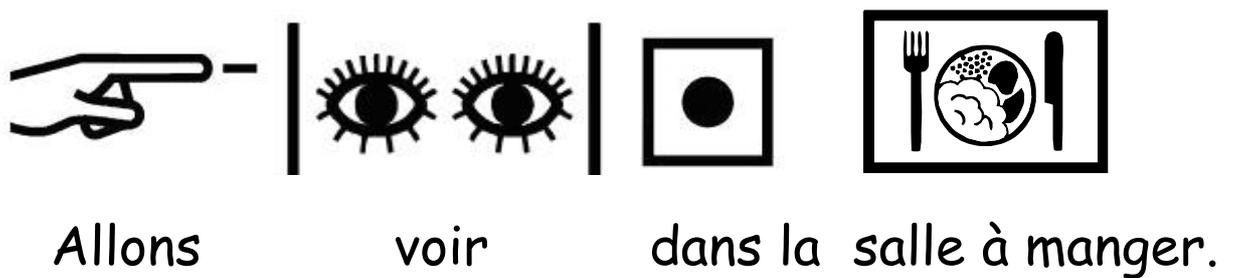

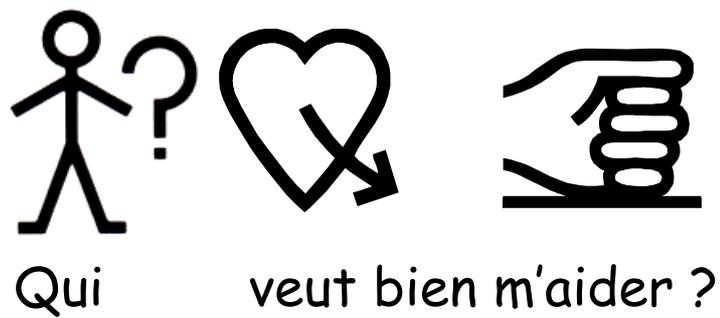

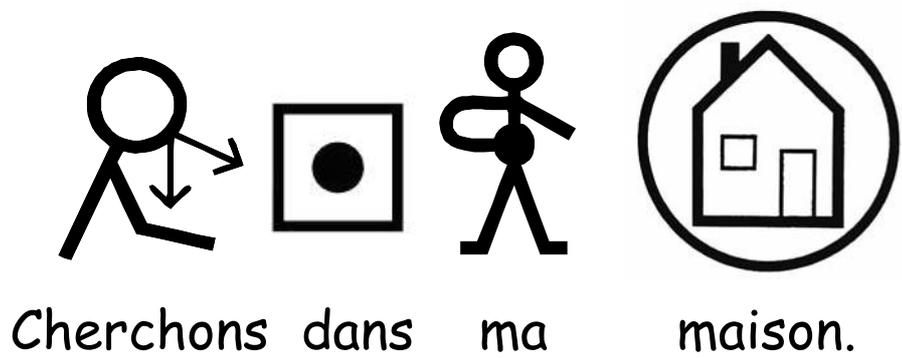

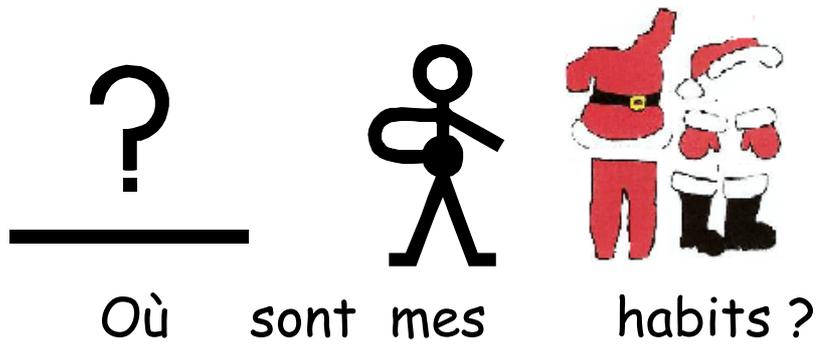

J' adore jouer avec mon bateau !

Père Noël chante :

Ah ! C'qu'on est bien quand on est dans son bain

Ah ! Je

vois

mon

pantalon.

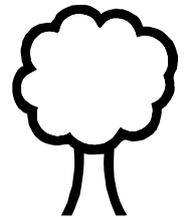

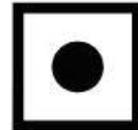

Mais

où

est mon

pull ?

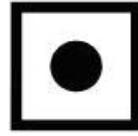

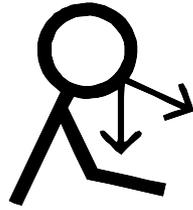

Ouf ! mon

pull est là-bas

dans

l'arbre.

Maintenant cherchons dans la cuisine.

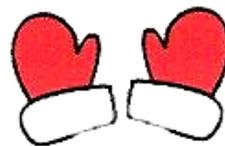

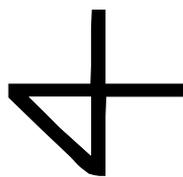

Où sont mes habits ?

Super !

J' ai trouvé

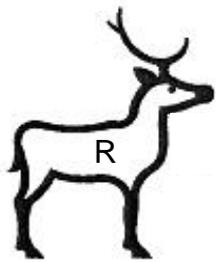

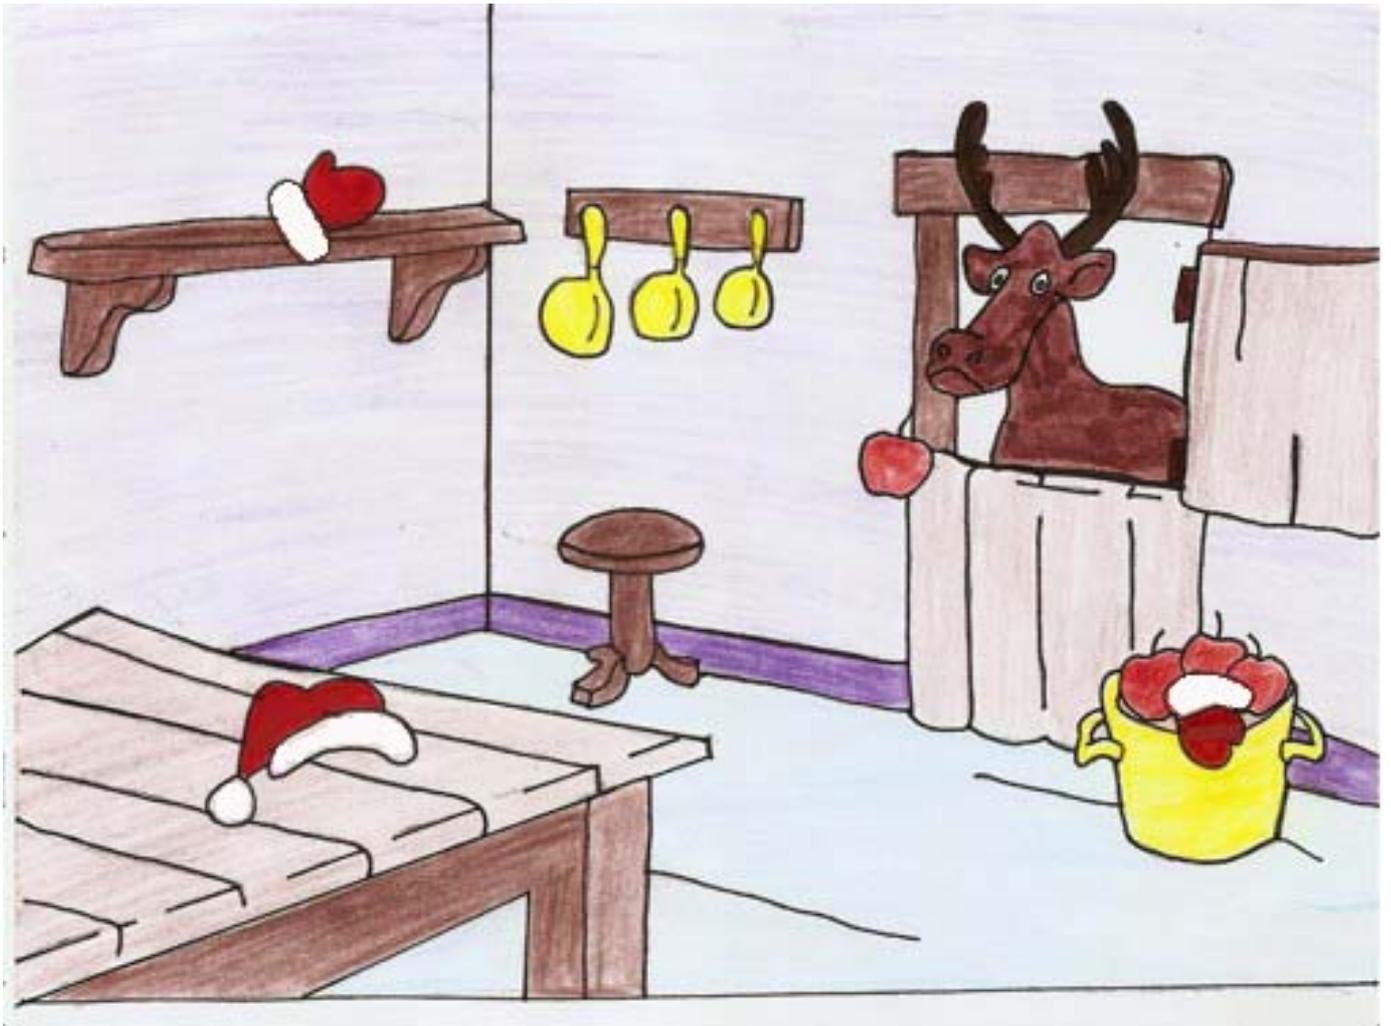

mon bonnet

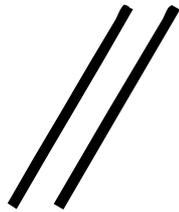

et

mes

gants !

Rudolphe n'a pas

mangé

mes

habits.

Mais

où

sont

mes

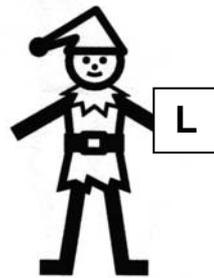

bottes ?

Allons

voir

dans l'atelier des lutins.

Bonjour Lulu le lutin,

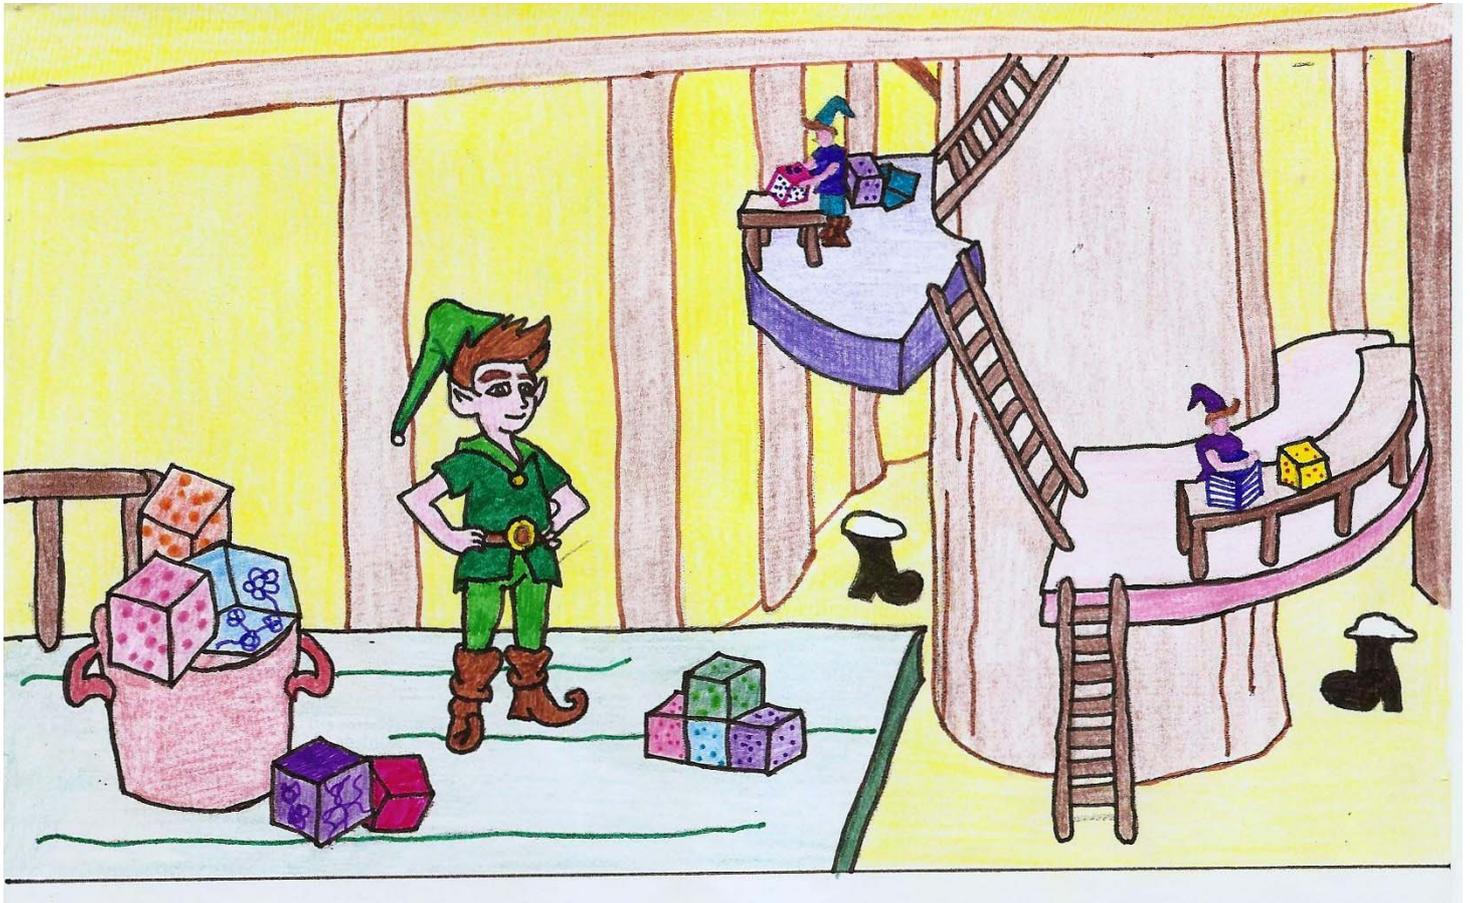

vois

tu

mes

bottes ?

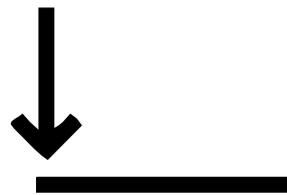

Oui,

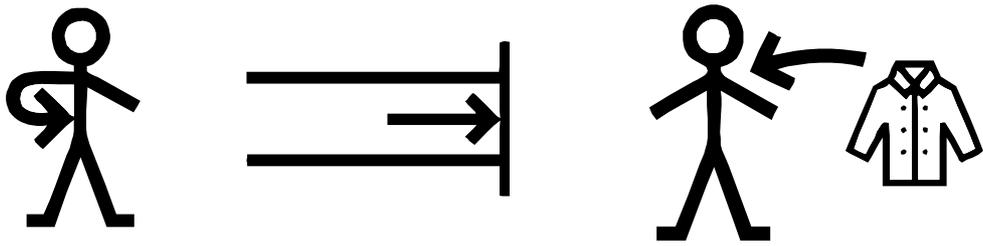

tes

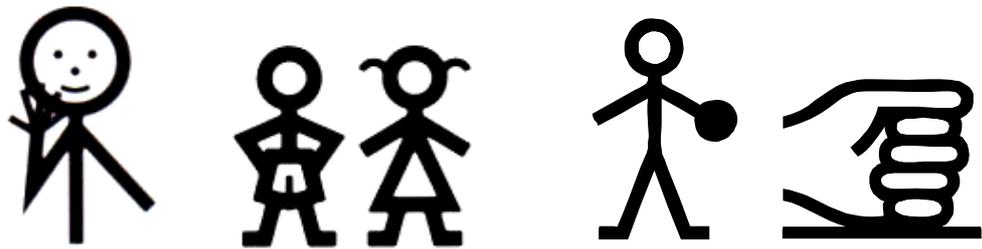

bottes sont

ici.

J' ai fini de m'habiller.

Merci les enfants pour votre aide !

Je pars en traîneau.

Je vais apporter des cadeaux à tous les enfants.
