

Kali vit seule.

Ce matin Kali est malade.

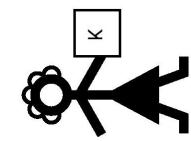

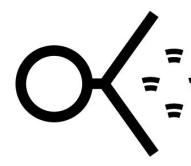

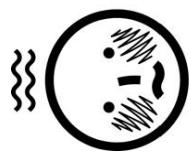

Kali a la fièvre.

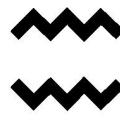

Kali a la fièvre.

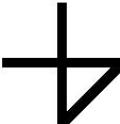

Kali a la fièvre.

Kali a la fièvre.

Kali a la fièvre.

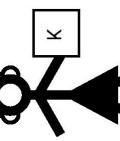

Kali a la fièvre.

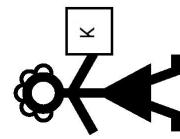

Kali a la fièvre.

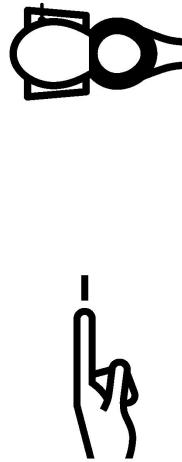

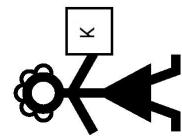

Kali a la fièvre.

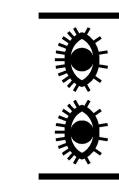

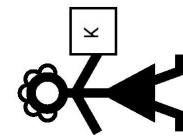

Kali a la fièvre.

Kali tousse beaucoup.

Kali va aux toilettes.

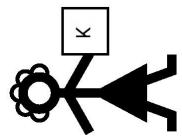

Kali

voit

son

urine foncée.

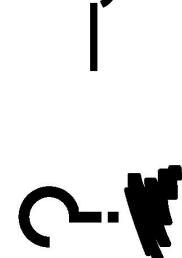

Kali

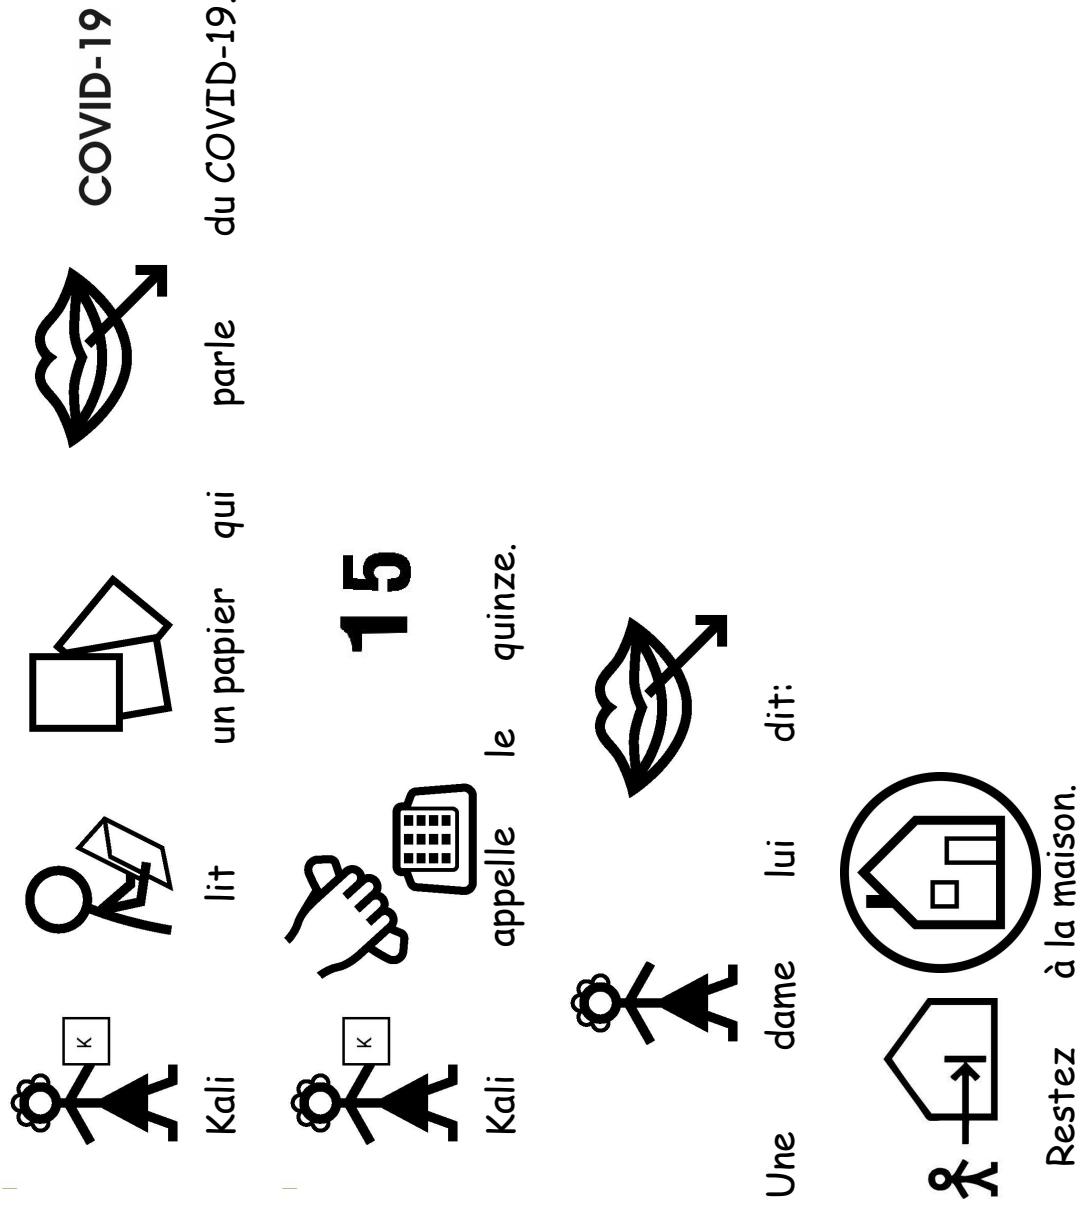

se demande

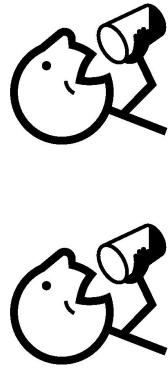

quoi

faire.

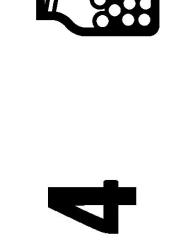

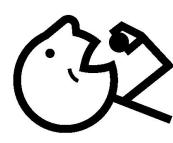

urine foncée.

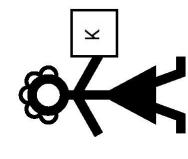

Buvez beaucoup.

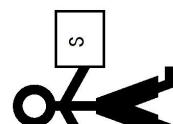

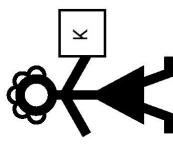

4

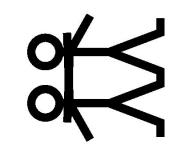

Prenez quatre cachets par jour.

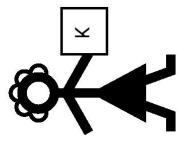

Kali se lave les mains souvent.

Kali appelle un ami: Stefan.

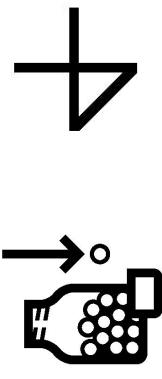

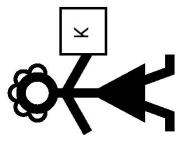

Kai

## a besoin de médicaments

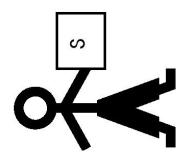

de courses.

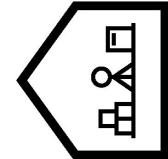

Kali

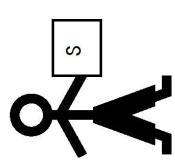

## demande

Stefan

au magasin.

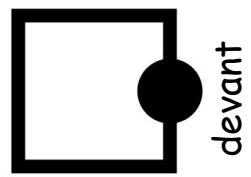

Stefan

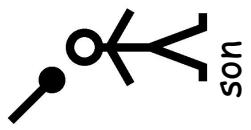

revient

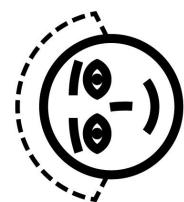

a      un mouchoir

*devant*

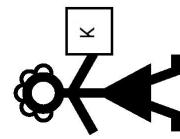

son

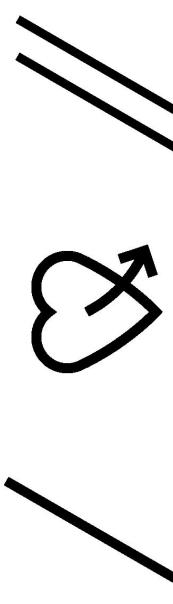

visage.

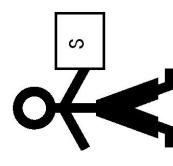

les courses.

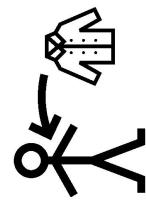

Kali

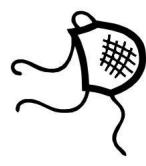

ne veut

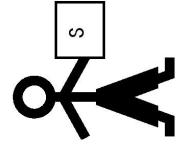

pas que Stefan soit malade.

Stefan met un masque pour entrer.

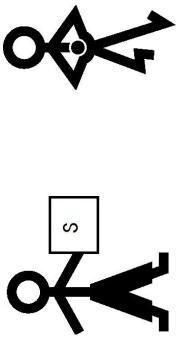

Stefan met des gants.

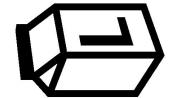

Stefan apporte du lait, du raisin, du pain.

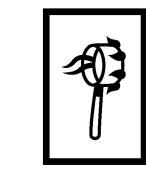

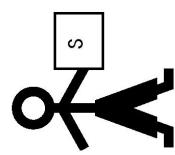

Stefan met des gants.

Stefan apporte du lait, du raisin, du pain.

Stefan

pose les courses dans la cuisine.

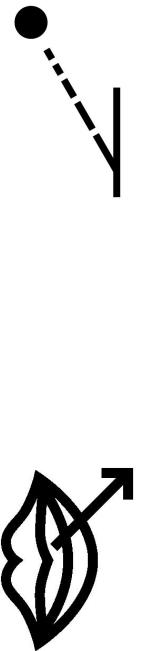

Stefan nettoie la cuisine et Kali se parlent en restant loin.

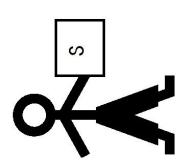

Stefan et Kali se parlent en restant loin.

Stefan se lave les mains en faisant bien attention.

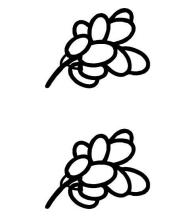

Stefan se lave les mains en faisant bien attention.

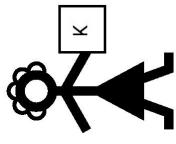

Kali

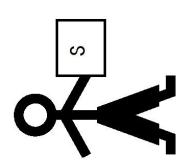

met du raisin

Stefan à boire

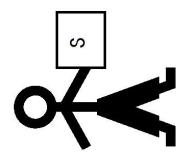

Kali.

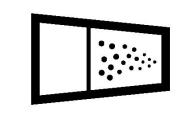

Stefan

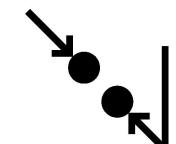

dit au revoir à Kali

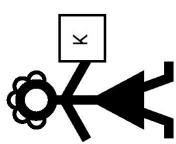

et il part.

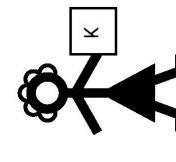

et

à boire

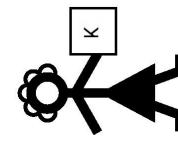

Kali.

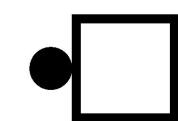

Kali

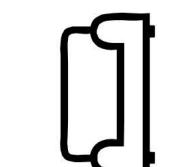

n'a pas faim.

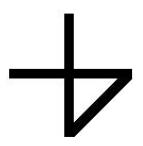

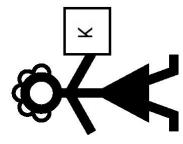

Kali

s'endort sur le canapé.

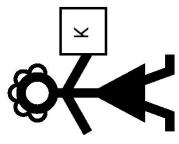

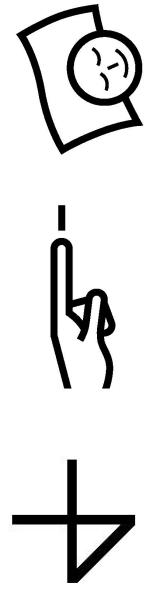

Kali se réveille et

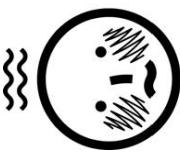

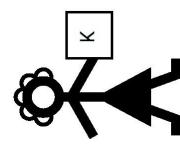

Il fait nuit.

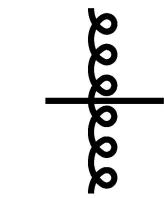

Kali se brosse les dents

et va dormir.

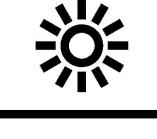

Le lendemain,

Kali

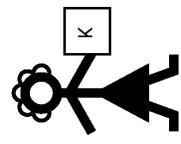

toujours de la fièvre.

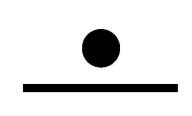

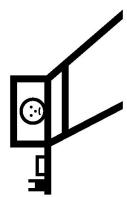

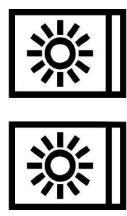

Kali touffe et beaucoup.

tousse

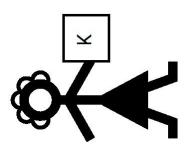

beaucoup.

Kali est malade pendant plusieurs jours.

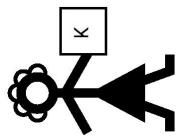

Après

Kali

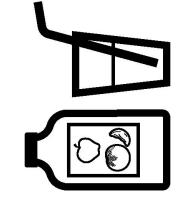

" " va un peu mieux.

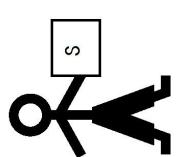

Kali

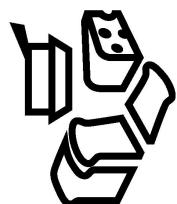

boit

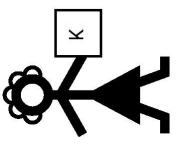

un peu de jus de fruits.

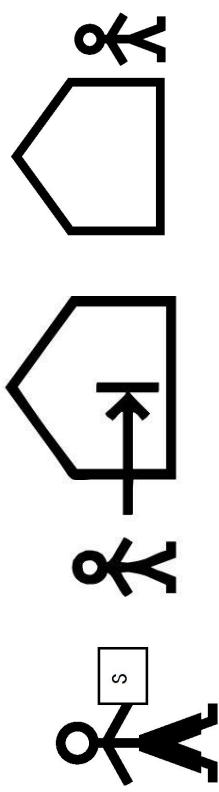

Stefan

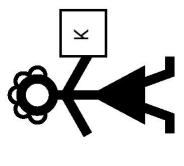

apporte à manger à Kali.

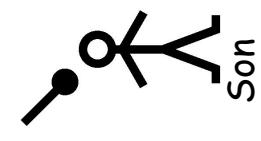

Kali.

reste dehors.

Kali est toujours fatiguée mais

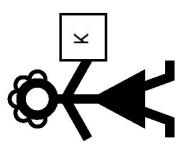

Son Kali boit beaucoup.

urine est claire.

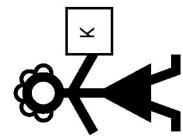

Kali boit beaucoup.

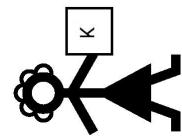

elle mange plus.

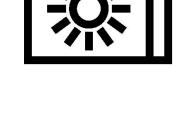

Kali est malade pendant une semaine.

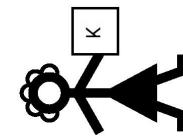

Kali marque les jours de maladie.

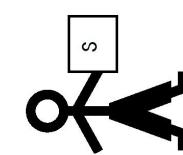

Un jour

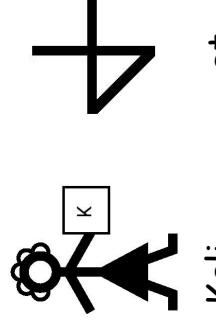

Kali appelle Stefan.

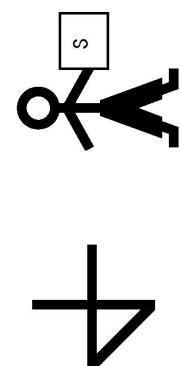

Kali propose une promenade à Stefan.

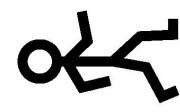

Stefan.

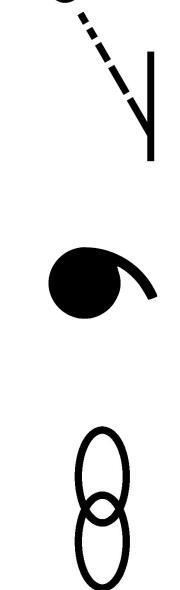

Kali

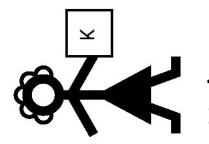

et Stefan

peuvent marcher

ensemble mais à distance.

Kali

est guérie.
